We attest to the legal identity of our client as the ultimate beneficial owner of the aforementioned gold assets. Additionally we have authenticated the authenticity of the gold, the history/origin of the gold, as well as the funds used to purchase the gold were good, clean, and clear and of non-criminal origin and that said funds were earned in the course of normal commercial business activity and legally. There are no liens, commercial obligations or encumbrances of any kind affecting or related to the referenced gold assets and that there are no other currently valid or pending commitments.

Furthermore, we understand that the ultimate beneficial owner and the asset will have to comply with the international KYC and AML compliance and audit standardized by top banks via the Wolfsberg Group. <https://www.wolfsberg-principles.com/>
